PRESIDENT’S LETTER

Welcome 2021!!

The year 2020 brought about a change we have never experienced in ABBA history.

Once again I am happy to say it has been a pleasure to serve as your president. We have had loss of family members and loved ones in our organization and I do not want to let that go unacknowledged. Their presence will be missed and has been missed. I am hoping that we will all be able to come together in Chicago, as it seems we may be coming to an end of the horrific experience we’ve had through 2020. There have been good times and bad; we've celebrated as well as mourned. So, with that being said, I want to thank you all again for supporting your organization the American Blind Bowlers Association and knowing we have done our best to be there for you throughout this time and keep this organization running. I will look forward to seeing you all soon. Continue to stay safe until we meet again.

~Joyce Spencer Mintz, ABBA President~

From the Desk of the Secretary/Treasurer

Please remember those members who said goodbye to family, friends, and team members. Also, remember all who are no longer with us, especially those who COVID-19 claimed. Please continue to remember those in the West affected by the worst fires in history along with the predicted heavy snowfall this winter.

Congratulations and “Thank You” to our 1st Vice President, Past President and Life Member #40, Fred Nickl, who was on a Podcast this December. The interviewer asked Fred many
questions such as, “how he became blind, how the blind bowl, and all of the interworking’s of ABBA” etc. Fred did a fantastic job on answering and giving information regarding ABBA. Anyone listening would be encouraged to join. He did not promote himself, but ABBA. He refused to give the names of those who had bowled high scores, but, indicated that the blind has bowlers who have obtained a 300. We all should be proud of Fred Nickl and the information he gave on ABBA. Hopefully, everyone received the link to listen to the event, it was sent to all league secretaries, active Life Members and Officers. It was not sent to committee chairs because all are a part of a league.

ABBA is continuing to ask ANY league or member that may have guide rails that are being unused if you would consider to donate or sell them. PLEASE CONTACT THE SECRETARY @ 248-410-2411 OR (rozellacampbell2826@gmail.com) ASAP.

Leagues who are bowling!!
Alton Area, Chicago Tappers, Cincinnati, Colorado, Daytona, Delaware Valley, Forsyth, Greater Cleveland, Lighthouse Industries, Madison Out of Sight, Motor City, St. Louis Pin Splitters, Rock County Railers, St. Louis Rail Rollers, and The Top Cats, PA.

Awards this period:
PF – average 96, Triplicate Chevron for (87) Delaware Valley Blind Bowlers
Scott Trapasso SM – average 168, bowled 247 earning 75 pins over – St. Louis Pinsplitters

Welcome to returning Bowling Leagues in January.

Humbly submitted,
~Rozella Anderson Campbell, ABBA Secretary/Treasurer~
